FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety - Division of Fire Safety** assume the proposal would not fiscally impact their agency.

In response to a previous version of the proposal, officials from **Johnson County** assumed the proposal would not have a fiscal impact.

Officials from the cities of **Columbia, Joplin** and **Lee's Summit** as well as the counties of **Camden** and **Monroe** did not respond to our request for fiscal impact.

Oversight sent a request for fiscal impact to the cities of **Cape Girardeau, Independence**, and **O'Fallon** as well as **Cape Girardeau County, Barry County** and **Holt County** for a similar proposal from this year (SCS for SB 108); however, we have gotten no responses.

Oversight assumes the extension of the fire sprinkler system installation option and the various other changes within House Amendment 1 will not create a fiscal impact for local political subdivisions.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.
